

F-1-105
Jacob Kline House
Doubs
Private

Circa 1890

The Jacob Kline residence was built prior to 1899 probably by Kline. The carpentry details which have remained on this simple workers house are what make the structure unique.

Kline acquired the land upon which the house was built around 1863 and sold Lot number 2 for \$400.00 in 1899 to W. M. Basford.

The house is a simple two story frame workers residence with a decorative columned porch with turned columns, a dentiled cornice and pierced decorative brackets.

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCEThe Jacob Kline House

This house is a simple two story gable roofed frame workers residence which faces west from the east side of Doubs Road in Doubs.

The main entrance, a replaced fifteen pane door with storm door is located in the first bay. Occupying the remaining bays on the first and second level are 2/2 windows. A small 1/1 arched window is located in the west gable.

A three columned two bay wide porch extends across the first level of the building. The porch displays fine carpentry work including turned columns, a dentiled cornice and pierced decorative brackets. A wooden swinging porch is suspended from the ceiling of the porch.

Although the entire building has been covered with aluminum siding, the architectural integrity of the house was not destroyed since wide siding and corner boards were used.

The L-shaped building is covered by a front gable standing seam tin roof. The roof is attached to the house by a plain boxed cornice. A single brick chimney straddles the gable in the center of the building.

The entire structure is built on a low random stone foundation. The back yard of the building is enclosed by a white picket fence.
